**Project title:**

**“Creating Awareness on Responsible Energy Efficiency and Renewable Sources“  
“CAREERS“**

**Axis 1: Sustainable Social & Economic development:**

**1.1: Improvement of the social development and social cohesion links;**

**The overall objective:**

- Dissemination of information and knowledge / developing practical skills in: saving energy, improving energy efficiency, installing and using alternative renewable energy sources (particularly at home).
- Gathering information about activities in the region, promoting the best practices; transfer of expertise in the field of energy efficiency and renewable energy sources. (RES)

**VHSMET “STOYCHO I KITSKA MARCHEVI” - HASKOVO**

**PROJECTS WITHOUT BORDERS**  
**[www.ipacbc-bgtr.eu](http://www.ipacbc-bgtr.eu)**

**12.01.2016**

## **The specific objectives include:**

- ▶ 1. Training of trainers in the field of energy efficiency and smart use of green energy resources, using ICT out of the official curricula and informal training in a new approach on teaching strategies.
- ▶ 2. Achieving sustainable development in training practice on natural/energy resources, exchanging information on cultural and historical heritage.
- ▶ 3. Teaching and socializing the youths and adults. The participants will acquire very important skills for team working as well as develop creativity, facilitating their social cohesion.

**VHSMET “STOYCHO I KITSA MARCHEVI” - HASKOVO**

## **Activities:**

- ▶ 1. Organizing/ Establishing an Information center and Promotion of the Project
- ▶ 2. Organizing and conducting the start-up events of the project.
- ▶ 3. Preparation for the training and conducting workshops (1 and 3- in TR ) on energy efficiency.
- ▶ 4. Arts competition
- ▶ 5. Preparation for the Workshops (2 and 4) and conducting them (in BG)
- ▶ 6. Analyzing and evaluation of the results of the training workshops
- ▶ 7. Creating Internet-based materials
- ▶ 8. Assigning interpreting and translation services
- ▶ 9. Training of children/ students/ adults
- ▶ 10. Establishing rooms and premises for the training
- ▶ 11. Wrap-up/final conference
- ▶ 12. Information and publicity
